Part II.

See Continuation Sheet

☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.

☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner indicated that claims 18 and 24-27 would be in condition for allowance with amendments to limit claim 18 to the use of proteins from human or chimpanzee cells, amendments removing the functional language from claim 25, and amendments to change the dependency of claim 26 such that it depends from claim 24. The Examiner also noted problems with claims 28-32 as amended in the After-Final amendment. The Applicant agreed to the amendment of claims 18, 25, and 26, and indicated that claims 28-32 should be cancelled without prejudice to bring the other claims into condition for immediate allowance. It was agreed that the amendments would be made by Examiner's Amendment.
